**LATE RECEIPT OF AN OFFICE ACTION**Commissioner for Patents  
Washington, D.C. 20231

Date: August 15, 2002

Sir:

On August 13, 2002, applicant's representative filed a petition (copy attached) to reset the period for reply to the Office Action dated **June 19, 2002**. The Office Action was received until **August 9, 2002**, as evidenced by the stamped date of receipt on the attached copy of the Office Action. Mail received at our office is date stamped on the day the mail is received. Thus, the copy of the date-stamped Office Action establishes the date of receipt at our correspondence address.

Upon review of the August 13, 2002 petition, applicant's representative notices that the date of receipt was erroneously reported as "August 19, 2002." However, the stamped date of receipt shows that the petition should have reported the date as "August 9, 2002." This error was inadvertent, with no intent to deceive. Applicant's representative regrets any inconvenience caused by this oversight.
